## *Our history*

From the very start of the Holme Christian Fellowship we have had the desire to be contributors to the life of our community and to show the love of God to the community in practical ways. The church runs a Drop In bus for young people every Tuesday, we are very active at the Gala and the Late Night Opening, and we hope we serve the community in many other ways as well.

For some time we have thought that it would be good to have a Coffee Shop in the village where members of the community could come and relax and chat – no pressure to rush in and out – reasonably priced to make it affordable to all. When the Village Courtyard was built this seemed the ideal opportunity to put this idea into reality.

Our aim is to cover our costs, but we are not a profit making venture. The hosts are all volunteers who donate their time because they share a wish to provide a pleasant environment in the village.

We are open for the menu here from 9.30 am to 1.30 pm Mondays to Saturdays, but also run a number of clubs as well:

The Friday Luncheon Club from 12.00pm one Friday a month. This has proved to be very popular – book early to avoid disappointment!! Because of this we have recently started a second Luncheon Club once a month on a Wednesday – lunch to be followed by an opportunity to play Scrabble if you wish.

On Monday afternoons from 2.00 pm to 3.30 pm there is an Art Group.

On Tuesday afternoons from 2.00 pm to 3.30 pm there is a Craft Club.

We also run the nationally recognised CAP Money Management Course to help people with personal budgeting.

Details of these clubs and other activities at the Drop In are shown on the notice boards in the Coffee shop. Please ask one of your hosts for further details
